Re: Sanitary Landfill Company Site
1855 Cardington Road
Montgomery County, Moraine, Ohio

Dear Ms. Mancos:

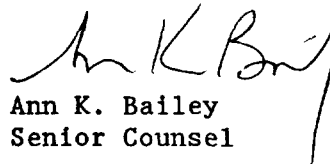

This provides the response of The Procter & Gamble Company to the Agency's letter dated July 14, 1987. We are aware that The Hewitt Soap Company, Inc. (Hewitt) also received a request for information from the Agency. Hewitt was at one time, but is no longer, a subsidiary of The Procter & Gamble Company, and you will be receiving a separate response from Hewitt.

We have not been able to locate any shipping documents or other business documents relating to this site. Further, we are not aware that any of our waste was ever disposed of at this site. We would appreciate receiving from Region V the information it has which connects us with this site.

With respect to your question regarding liability insurance coverage, we have been covered by numerous comprehensive general liability policies during the period of time the Agency is inquiring about. Should it subsequently develop that we are connected with this site and should the Agency then have a continued interest in receiving copies of these numerous policies, we would be happy to discuss these documents with you further at that time.

Please direct all further correspondence regarding this site to my attention.

Very truly yours,

Ann K. Bailey
